ADDENDUM

Over-the-Counter *Narcan* Nasal Spray

Since the publication of our articles entitled Drugs for Opioid Use Disorder and In Brief: Over-the-Counter *Narcan* Nasal Spray earlier this year, *Narcan* (Emergent), a nasal spray that delivers 4 mg of the opioid antagonist naloxone, has become available for sale over the counter (OTC). According to the manufacturer, the retail price for a box containing 2 doses is \$44.99. Some insurance companies have announced plans to cover OTC purchase of the drug for their members.

RiVive (Harm Reduction Therapeutics), a 3-mg naloxone nasal spray recently FDA-approved for OTC sale, is expected to be marketed early next year. ■
